After studying politics and film at Whitman College I have worked in both sectors, working with New Era Colorado and the Montana Democratic Legislative Campaign Committee to engage communities in electoral politics, and now working with RUN Studios to produce first-class video content and live broadcasts. Both at work and as a filmmaker in my free time I am interested in creating media that enables a deep understanding and connection to the political world.

### **RELEVANT EXPERIENCE**

#### **RUN Studios, Microsoft Live Events**

*Producer*

April 2026 - Present

- Work with clients to produce engaging, accessible live broadcast events for in person and online audiences.

*Senior Associate Producer*

March, 2024 - April 2026

- Created contracts and budgets for large scale livestream events, hired full crews, created call sheets and show flows,
- Managed crews, content, talent and schedules on set.

#### **RUN Studios, Worldwide Learning Studios**

*Associate Producer*

2022 - 2024

- Managed 200+ ongoing learning and training video projects per year, scheduling studio time, hiring resources, creating workback schedules, and overseeing video content,
- Managed post production, oversee editors, and work with clients to review and deliver.

*Production Coordinator*

2021 - 2022

- Managed video transcription, closed captioning, and other accessibility offerings,
- Managed eight studio inboxes and calendars, video releases, and budgets for studio shoots.

#### **Core Learning Exchange**

*Course Creation and Quality Assessment*

2021

- Created and loaded course content, matched industry standards to courses, created student rubrics, and did quality assessment across our system in a fast-paced start-up environment.

### **RELEVANT SKILLS**

- Microsoft Outlook, Word, Excel, Powerpoint
- Adobe Premier, Adobe Audition
- Closed Captioning tools (Subtitle Edit, experience with VTTs, SRTs, TTMLs)

### **EDUCATION**

*Whitman College* Walla Walla, WA

Graduated May, 2018

Politics Major, Film Minor -- Academic Distinction
